

The background is a vibrant yellow with various white icons representing nature (leaves, flowers, fish, birds), daily life (cup, car, house, teddy bear), and community (sun, waves, building). At the top, a blue mountain silhouette contains the city name. The main title is written in large, bold, dark blue characters. Below it, the English title is in a smaller, white, sans-serif font. The central illustration shows a smiling family: a mother in a red top holding a baby, a father in a blue shirt holding a baby, and a young child in a green shirt waving. The family is surrounded by floating hearts and other small icons.
